

DAVID C. SCIUTO

SYSTEMS ENGINEERING

online portfolio: www.davidcsciuto.com/apple_it.html

Career Objective

To continue in a highly rewarding career, seeking for a job in challenging and healthy work environment where I can utilize my proven Apple knowledge. Adaptable technical skills while insuring trust and making people feel comfortable with technology.

Professional Profile

- Apple Desktop Certification
- JAMF Casper management & imaging
- Ubuntu and Windows VM Installations
- DoD System Compliance
- Alternate ISSO for secured spaces
- Active Directory binding
- Repair or install hardware upgrades/expansion
- Level II phone support for the Americas for multiplatform products
- LAN, WAN, WiFi, VPN configuration desktop/mobile systems
- Bug report and track anomalies
- RAS software and web based control
- UNIX and Bash
- Install and network multiple platform systems
- Create Level I training materials for new products
- Provide One-on-One or group application training
- Mobile device configuration and troubleshooting
- Test engineering and product field deployment

System engineering for a wide variety of department of defense (DoD) programs and commercial clients including:

- DoD Cyber Security Research Divisions
- Apple Inc.
- Lahey Clinic
- Hittite Microwave (Analog Devices)
- STEM Innovation
- The Polaroid Corporation
- U.S.A.F. and U.S. Army Joint STARS Program
- International AWACS
- U.S.A.F. Joint Test Force
- NATO Ground, Air and Space Surveillance Systems
- Canadian Air Force and NATO Alliance
- AEWS, OTH, Cobra Dane, Cobra Judy

Alongside of various stakeholders, have supported strategies and programs entailing; ground, air, space communications, technical documentation, defense acquisition board funding for DoD programs of over \$2 Billion dollars, educational materials for repair or upgrade of radar systems, computer training of military and civilian.

Education

Worcester Polytechnic Institute – Sigma Six Project Management, 2014
American Graphics Institute – Mobile Publishing, 2013
Apple Inc – ACSP Certification, 2001 - 2005
New Horizon Learning – Web/Flash Certification, 2001
ITT Technical Institute – Windows Administration Certification, 1998
Merrimack College Basic Programming, 1986
Art Institute of Boston/MFA BA – Design, 1979 - 1982

Experience

MIT Lincoln Laboratory – Lexington MA • 10/2015 - Current.

Apple Systems Administrator, Alt ISSO – Cyber Security Divisions
Software and hardware support of mixed environment systems (Windows, Linux, Mac & VMWare). Configure and order Apple systems, install specific **Casper** images tailored to division/group requirements. Deployment of patches, tracking and auditing systems for security compliance. Testing and verification of images with supported hardware. Develop, publish and maintain system documentation.

Hittite Microwave Corporation (ADI) – Chelmsford MA • 2 Years

Multimedia/UI Designer for Marketing Communications
Worked with RF/IC development engineers for target marketing of a portfolio of 1100 IC products.

Kronos Incorporated – Chelmsford MA • 2.5 Years

UI Designer/IT for Educational & Technology Group
Create and test VMWare images for training platforms for Workforce Central SQL driven database time management system.

Apple Inc. - Cupertino CA • 5 Years

Genii and Digital Imaging and Video Specialist
Systems triage and repair. Applications Trainer for One-On-One or Theater environments.

The Polaroid Corporation – Cambridge & Waltham MA • 5 Years

Deployment Field Engineer for High Speed Digital Imaging Systems
Assembly and installation of a Windows and Linux SuSE driven beta high-speed digital imaging kiosk. Capture environmental and workload data. Perform color calibration, troubleshoot and resolve imaging issues. Database issue tracking. Work directly with marketing team, color scientist and electrical/mechanical engineers to resolve beta issues for design and release of phase 2 machines. Trade-show demonstrations and generate pre-sales leads.

Skills/Programs

Illustrator	Dreamweaver	XTools
Photoshop	KompoZer	GitHub
InDesign	Contribute	Form Prototyping
Catalyst	HubSpot	OSX Client & Server
Captivate	Wistia	iOS
Acrobat	CMS	Ubuntu
App Studio	XCart	Windows XP/7/10
iBooks Author	Moodle	SQL Server 2K/03/05
eMag Creator	Joomla	Active Directory
iWork Suite	WordPress	Centra Server
MS Office Suite	Weebly	VMWare
	HTML5	Parallels
Final Cut Pro X	Jscript	JBoss
Motion	JavaScript	Linux SuSE
Compressor	JQuery	Active Directory
Premiere Pro	CSS3	Exchange
Screenflow		SharePoint
Camtasia		Join Me/LogMeln
Poser 9		GoToMeeting
HandBrake
